

CARCON INDUSTRIES DIVERSITY AND COMMUNITY AFFAIRS PROGRAMS

As a 100% Minority and Woman Owned Construction management firm, CARCON Industries has an outstanding record of D/M/WBE Goals Achievements on all our projects. We believe and understand that D/M/WBE Programs are necessary resources for small businesses to grow and for our clients to be more competitive in their projects and proactive with the owners. CARCON Industries is a testimony of the great benefits that these programs bring to small businesses by empowering them to grow solidly. The President and CEO of CARCON Industries, Arcilia Acosta, is an active community leader who has been involved with the most powerful and well-recognized small business organizations and chambers to stimulate faster growth in this sector. Our firm has been an award-winning company for community involvement.

An Award-Winning Construction Company

CARCON'S Team Experience

CARCON Industries provides a highly qualified team with a record of success in D/M/WBE Programs. Our team brings experience in the most recent and prestigious projects in the institutional, specialized and commercial sector.

We have experience with the largest transportation projects in the DFW Area
